DONATION OF FOOD TO AN ANIMAL SHELTER

On 31st March 2011, classes 3CM and 3CT' students visited "Rifugio Ramondetti Cassardo di Trofarello", a private animal shelter. The students collected money and bought food for the "guests" of the animal shelter. Following the shelter experts' request, we bought "wet meals" destined to the old dogs present in the structure because they find it difficult to eat croquettes as they have lost the majority of their teeth.
