EUROPEAN LANDSCAPE NETWORKS RELATED EUROPEAN LANDSCAPE CONVENTION

[UNISCAPE](#)

UNISCAPE is the Network of Universities especially dedicated to the implementation of the European Landscape Convention. Aim of UNISCAPE is to support and reinforce interdisciplinary co-operation within and among European universities regarding landscape issues, especially in the areas of research and education. UNISCAPE thereby promotes the principles and the objectives of the Florence Convention (the European Landscape Convention, in force since 2004).

[RECEP-ENELC](#)

RECEP-ENELC is an international association of local and regional authorities promoting the implementation of the *European Landscape Convention* throughout Europe. It provides scientific, technical and political support to its members so they can promote the principles of the Convention within their territories and among their populations. The Network was established in 2006 in Strasbourg (France) while its permanent headquarters are in Florence (Italy). RECEP-ENELC is part of Eurolandscape together with Civilscape and Uniscape, a network gathering universities, civil society and territorial public authorities in support of the Convention.

[CIVILSCAPE](#)

CIVILSCAPE is dedicated to creating an enabling environment for civil society organizations, documenting the civil society organizations community, strengthening the infrastructure of the citizen sector , and promoting collaboration, both among civil society organizations and between civil society organizations, political or administrative bodies and other actors, to advance the public good in Europe and beyond.

[ECOVAST](#)

ECOVAST is a campaigning organization, for the well-being of the people and the heritage of rural Europe; and a networking organization, which seeks to support and to encourage cooperation between, its members as they pursue their activities in rural areas. **Offers services at international and national level**

[EUROPEAN FEDERATION FOR LANDSCAPE ARCHITECTURE \(EFLA\)](#)

EFLA is the professional organization for landscape architecture in Europe, membership is open to national associations in countries which are members of the Council of Europe. EFLA constitutes the European Region of the International Federation of Landscape Architects (IFLA).

[LANDSCAPE EUROPE](#)

LANDSCAPE EUROPE is an interdisciplinary network of national research institutes with expertise in landscape assessment, planning and management at the interface of policy implementation, education and state-of-the-art science in support of sustainable landscapes

[LANDSCAPE TOMORROW](#)

LANDSCAPE TOMORROW is an European Research Network for Sustainable Development of Multifunctional Landscape

[THE EUROPEAN COUNCIL OF LANDSCAPE ARCHITECTURE SCHOOLS](#)

[ECLAS MEMBER UNIVERSITIES](#)

[ECLAS MEMBER STUDY PROGRAMMES](#)

The European Council of Landscape Architecture Schools exists to foster and develop scholarship in landscape architecture throughout Europe by strengthening contacts and enriching the dialogue between members of Europe's landscape academic community and by representing the interests of this community within the wider European social and institutional context. In pursuit of this goal the European Council of Landscape Architecture Schools seeks to build upon the Continent's rich landscape heritage and intellectual traditions.

[VIDEO BASILICATA IN TIR 2009](#)

Listening, touching, tasting, looking and living the Basilicata region.

BASILICATA IN TIR-Basilicata in Track- it is a touring, promotional event that sees the Basilicata talk about itself in an unusual way- visiting different city's squares. In the squares the truck becomes a multimedia museum and the place around it turns into a small village-Basilicata. Also distribution of publications related to itineraries Basilicata, tasting of typical products and events dedicated to the culture and local identity contribute to the all scenes experience of Basilicata land.
