

Monday 2/2

On Monday we arrived at school at 8 o'clock, we had breakfast at the canteen, we listened to the welcome speech of the Headteacher and took note of the activities of the week.

Then we went to a cannery factory “Les mets de Provence”. We saw all the production phases but we had to put a mask and coif on

At 12.00 we went back to school where we had lunch in the canteen...It was unusual to eat at school because in Italy we always have lunch at home

In the afternoon we took part in a treasure hunt in Bollene to discover the local products and tradition. During the hunt we were divided into groups of four or five people, one from each country, and following a map we solved riddles. It was a fab way to see different parts of the town. We had fun looking for the clues which led to the treasure

Afterwards we went to our host family and in the evening we went out with our new friends.
