

## EVALUATION OF THE 4th COMENIUS MEETING

TOPIC	POSITIVE ASPECTS	DETAILS TO IMPROVE FOR COMING VISITS
<p><b>Working sessions and business related activities and visits</b></p>	<ul style="list-style-type: none"> <li>- Mixed groups</li> <li>- Visiting different factories =&gt; very professional tours</li> <li>- The working sessions were so cool because we were with other students so we could practice English and talk with the other students. We also enjoyed presenting our work dealing with entrepreneurship to other students</li> <li>- We have discovered different things about the other countries' businesses.</li> <li>- The visits have been very interesting</li> <li>- It was amazing to work in a group with different nationalities</li> <li>- I enjoyed working in a group with people from other countries and knowing their way of thinking</li> <li>- We could discuss and find different solutions</li> </ul>	<ul style="list-style-type: none"> <li>- Italian was spoken at some points – that made the communication a little hard</li> <li>- Maybe we could have done more work all together</li> <li>- We should have had more information about the companies and their work first, to make it easy to understand.</li> </ul>
<p><b>Social activities: meeting with families and students, party time etc.</b></p>	<ul style="list-style-type: none"> <li>- Much free time</li> <li>- The families were friendly</li> <li>- The food was good</li> <li>- Interesting monuments and sights all over the city</li> <li>- The parents were really nice with us and we had a very good time all together with the European students. We enjoyed having free time with the other students.</li> <li>- We had a great party together, and it was fantastic: we had dinner and we danced.</li> <li>- We have visited the most important parts of the city and cities, so we have learnt a lot. The time with our partners has been the best. We have enjoyed every moment</li> </ul>	<ul style="list-style-type: none"> <li>- So many people thought that we were a lot of time on the bus, but we all agree that it was worth going to the different visits and meetings.</li> <li>- We needed more time to see Brescia</li> <li>- Some students made small groups and stayed apart</li> </ul>

	<ul style="list-style-type: none"> <li>- During the trips started real friendships with other students</li> </ul>	
<p><b>Accommodation in Brescia</b></p>	<ul style="list-style-type: none"> <li>- Very nice families: everything was perfect</li> <li>- The houses and flats were so nice. We felt really good in our accomodations. Our partners gave us their beds. That was so kind.</li> <li>- We have met the families and we have learnt a bit Italian. Thank you so much for your kind welcome and the great time we have spent together.</li> <li>- I had a great week with my partner, we did everything together</li> </ul>	<ul style="list-style-type: none"> <li>- We would have liked to spend more time with the families.</li> <li>- Some houses were so far from the city center.</li> <li>- We were in different areas, far from other partners and it was difficult to meet them</li> <li>- I think our partners were scared about the dirt in our town</li> </ul>
<p><b>Has the mobility helped you understand and intensify the European (Comenius) feeling? Do you feel more European now?</b></p>	<ul style="list-style-type: none"> <li>- Yes - because the differences aren't as big as we thought.</li> <li>- We spoke other languages than ours (for example English and Spanish).</li> <li>- It was good to meet new people.</li> <li>- Now we feel more connected!</li> <li>- We were able to discover how Italian people live.</li> <li>- We discovered more about their tradition and we noticed the Italian eat more than us</li> <li>- We realised that we share a lot of values and tastes with other european students. We made new friends throughout Europe. And we are proud to be european.</li> <li>- Yes, of course. In Italy, we have realized that the country is very similar to our, we have a lot of interests in common. Now, we feel more European.</li> <li>- Yes, I think the project helped me to understand that we have to study if we want to travel around Europe</li> <li>- Maybe one day we could open a start-up in a foreign country</li> <li>- Yes, with this project I've known another country and learnt different traditions</li> <li>- I have more respect towards foreign people, no matter where they come from</li> </ul>	

<p><b>What do you think about the advertisements created for each business?</b></p>	<ul style="list-style-type: none"> <li>- We think the German students did a great job for their business.</li> <li>- We worked on the spanish project and we developed a blog, a facebook, a video advertisment. Others worked on the german project and did a newspaper article to complete what they had already done.</li> </ul>	
<p><b>Proposals for future mobilities</b></p>	<ul style="list-style-type: none"> <li>- More social events like the great party at the last night</li> </ul>	
<p><b>General evaluation of the Italian mobility</b></p>	<ul style="list-style-type: none"> <li>- Everything was perfect! It was a really nice time, thank you for having us!</li> <li>- The trip was really really good. We met great people and we think it was a fabulous experience for each one of us. Italian people are really generous and cheerfull.</li> <li>- It has been a perfect trip with people from four different countries. We have met our Italian partners again, we have met new people and families and the city was really good.</li> <li>- The final objective is accomplished, we think. Now we are sure that we could find a job or become our own boss in any European country.</li> </ul>	<ul style="list-style-type: none"> <li>- We had not had time enough to spend with all the people in Italy, we wanted two weeks more at least!</li> </ul>
