Target groups

Target groups:

- Staff members and learners;
- Economically or socially disadvantaged groups (violated women; prisoners and ex-prisoners).

Thematic area

Social Inclusion (1st group)

Agenzia Nazionale LLP

Comenius, Erasmus, Grundtvig, Visite di Studio

The main aim of the project is to

Strengthen the capacity of the European institutions and organisations by sharing learning and good practice examples of informal education through arts in order to effectively represent interests of the economically or socially disadvantaged groups (violated women; prisoners and ex-prisoners).

Agenzia Nazionale LLP

Comenius, Erasmus, Grundtvig, Visite di Studio

Methodologies

- Analysis of different examples/good practices of work with the economically or socially disadvantaged people;
- Workshops as a pedagogical tool,
- Analysis of different approaches of working with our target groups
- Sharing and analysis of particular experiences of each partner in the field of education

Agenzia Nazionale LLP

Comenius, Erasmus, Grundtvig, Visite di Studio

Outcomes and products

- Exhibitions of pieces of art;
- Guide of good practice;
- Leaflets;
- Special project page on each partner's institutions website;
- Video of workshops and exhibitions.
