Lifelong Learning Programme - Programma di apprendimento permanente

Work Packages

WP 1: European Management & Coordination (Italy)

WP 2: Assessment of Experience (Lithuania & Finland)

- The aim of WP 2 is to assess practices of informal learning for senior people in our countries and to identify examples of best practices in partner countries.

WP 3: Training course (Romania & Turkey)

- From the research we will develop a training course utilising methodologies and best practice examples

WP 4: Piloting the training (Croatia & UK)

- We will pilot the training course, evaluate, review and adapt it accordingly.

WP 5: Exploitation and dissemination (Ireland & Poland)

- Based on the experiences gained from the pilot. Training support packs will be developed and disseminated to training providers, communities and adult learning institutions.

WP 6: Evaluation (UK)
