Lifelong Learning Programme - Programma di apprendimento permanente

Aims:

1. to make disability visible/ understood in the society
2. to create learning opportunities accessible to everybody
3. to valorise knowledge of the participants in informal learning/ inclusion circles

Agenzia Nazionale LLP

Comenius, Erasmus, Grundtvig, Visite di Studio

Methodologies:

We will organize during and between the project meetings informal learning/ inclusion circles involving disabled peoples and people from the community. We will have 4 main topics related to the community (history; art and tradition; food and drinks; sport and social life) and also other topics that would be decided in brainstorming session & on request by disabled people and local collaborators.

The purpose will be:

- To allow informal learning about the community and other topics
- To valorise the knowledge of participants
- To have a better understanding of disability
