2. GENERAL INFORMATION

Before completing this form, please read the relevant sections in the Lifelong Learning Programme Guide for Applicants 2010 and the 2010 Call for Proposals published by the European Commission and by your National Agency, which contain additional information on closing dates as well as the address of your National Agency to which the application must be sent. Links to these documents and further information can be found on the Lifelong Learning Programme website:

http://ec.europa.eu/education/comenius/doc854_en.htm

Before you start filling in this application form, you should also consult the specific Guide to the Comenius Individual Pupil Mobility which aims to help you in preparing and implementing the action. The Guide can be found on the website:

http://ec.europa.eu/education/comenius/doc990_en.htm

Comenius Individual Pupil Mobility allows schools participating/having participated in the same Comenius school partnership to exchange pupils. The school which intends to send pupils is called a sending school. The school receiving pupils is called a host school. One sending school may send pupils to one or more host schools. Only a small group of pupils should be sent from one sending school to the same host school in order to facilitate the integration of pupils. The role of the sending school is to submit the application, to manage the grant according to the rules of the action and to report on the mobilities undertaken. The host school/s should be significantly involved in the preparation and implementation of the mobility/ies. Both sending and host school/s has/ve to sign the grant application.

Completion of the application form

This form should be completed by the **sending school**, in cooperation with the **host school/s**, giving full details of the planned pupil mobilities including the details of the host school/s involved and grant request. The sending school must send the completed form (relevant parts to be filled in by the sending school) to the host school/s. The host school/s has/ve to complete and sign the declaration (section 9.2), fill in the information in section 4 and 7 and return the application to the sending school (by e-mail/fax/mail). The host school/s' signature of the declaration does not need to be original but can be faxed/scanned. The host school/s must not change any of the information contained in the form completed by the sending school. The sending school submits the application form completed in full to its National Agency by **1 December 2009 (date as postmark)**.

Evaluation and selection by the National Agency

The National Agency of the sending school will evaluate the quality of the applications received. On this basis, the National Agency may i) grant a lower number of mobilities and/or ii) decide to which host school/s the mobilities will be granted.

Steps to be taken by the selected sending school

Once the application is selected, the National Agency will indicate the number of pupils and the names of host schools granted via a letter of intent to the sending school by end of February 2010. On the basis of this document, the sending school will:

- carry out the selection of suitable pupils (by end of March 2010)
- inform the host school/s that it/they can start looking for suitable host families (by end of March 2010)
- communicate the names of selected pupils to the host school/s by end of March so that they can be matched with suitable host families by end of April
- communicate the names of selected pupils, the host school and the host family (plus copies of the signed parental consent form and learning agreement) to its National Agency (by mid-May)
- fill in the pre-agreement form, taking into account the selected pupils, and send it to the National Agency by mid-May. On the basis of the pre-agreement, the National Agency will issue a grant agreement with the sending school.

Please note that each National Agency may request applicants to submit additional information in support of a Comenius Individual Pupil Mobility application. Each applicant should check on the website of its National Agency before submitting the form.
